Potential opposer, The Rudolph Company, L.P., hereby requests a two-month extension of time until August 12, 2002, for filing a Notice of Opposition against the above application. This extension is necessary to allow potential opposer and applicant additional time to determine whether this matter can be resolved amicably.

Applicant's attorney, Amy J. Benjamin, consented to this extension on June 12, 2002.

In its order granting the last request for an extension of time, the Board indicated that no further extensions would be granted in the absence of a detailed explanation reciting what progress the parties have made toward resolving this matter. This order was dated June 4, 2002 and was received by potential opposer only a few days prior to the current opposition deadline. The parties have reached terms for settlement and additional time is needed for the parties to review and sign settlement documents. Based on these circumstances, potential opposer respectfully submits that it has shown sufficient cause for the granting of this further extension request.

This request is submitted in triplicate.
